IE does not support removeAttribute('src'). I've developed a project which check the file size of a photo. When a user uploads a photo on my server (PHP), I check the photo's size on my server first and then move it on client side (Javascript). For the image resize I use the width and the height of the image. This works on all browsers but I cannot resize the image with IE. This is the code I have. jQuery(function($) { $('input#test-url').change(function() { if ($('input#test-url').val()) { $.post('upload.php', { action: 'test-url', test_url: $('input#test-url').val(),
