The Adventures of Tom Sawyer Movie, Show, Review, Critic, Cast and Characters Tom Sawyer is an American historical-fictional novel written by Mark Twain and published in 1876. Based on this novel, the movie is a swashbuckling adventure drama film directed by John Ford. The film is a sequel to his previous movie, The Iron Horse, with another newcomer, Henry Fonda. The background of the film is built around a conflict in Indiana between the law and the mob, and a plot to cut the railroad. Ezra Glenna (Henry Fonda), a student at a small college, lives in the town of 'Huck Finn's'. He finds the fake whipping of Tom Sawyer (Tom Hanks), who is accused of 'stealing' the money of a bank robber. Tom (Tom Hanks) and Jake (John Larroquette), Tom's friend, set out with an intention to prove that Tom is innocent. Tom and the gang convince the local laws that it was all a scam and trick, whereas Tom and Jake fall in love. The film does not have any camera trickery, one of the reasons that make it popular among its viewers. Tom Hanks (born Thomas Howard Hanks on March 17, 1958) is an American actor and film producer. He has starred
