## **ABC Amber Lotus 1-2-3 Converter Crack+ Activator For PC**

ABC Amber Lotus 1-2-3 Converter Crack Free Download is a software program that allows any person to easily convert Lotus 1-2-3 (WK1) files to almost any format that you might need. The interface of the ABC Amber Lotus is quite easy to get around to and it has quite a simple design. In the upper side of the main window you will find a Menu Bar, which contains all the actions that you can take in the app, followed by a toolbar with button shortcuts to the actions that you will mostly likely use the most. On the lower part of the main screen you will be able to see a list of all the files you have uploaded to the program and some details regarding them. The interface is also customizable, as the program allows the people using it to change fonts, styles, effects and colors of the Text, Header, SubHeader and Hyper Text. Furthermore, the application is able to support a myriad of different languages, from English to Croatian, Indonesian, Norwegian, Polish and Russian and so on, which will really come in handy to people that do not know foreign languages too well. In order to read WK1 files, you do not need to have Lotus 1-2-3 installed on your computer because ABC Amber can handle it. Furthermore, if you want to, you should know that you can make an unlimited batch conversion to files such as XLS, CSV, DBF, PDF, DOC and HTML and many others. All in all, ABC Amber Lotus 1-2-3 is a very useful tool that allows you to convert an unlimited number of WK1 files to almost any file format.
