THE ELDEN RING RPG is the continuation of the fantasy action RPG series 'The Elder Scrolls '. In the Age of Oblivion, Tiber Septim is the right hand of the High King. He is the most powerful person in the Lands Between, defeating vicious monsters and tyrannical empires with his sword. You play as Tarnished, a member of a band of ex-thieves who are looking for justice. During your travels, you run into a group of people called the Knights of Solitude. They seem to be in some sort of trouble, so you accompany them on their quest.

The artist produces screen savers and has performed illustrations for mobile games produced by ELDELL. One of the world's best-selling games! This is a Kickstarter project of an action role-playing game that was created based on the strength of the industry leader ELDELL. We hope to secure funding with around 2,000 euros by the end of the crowdfunding project. This gives us a budget of about 5,000 euros, including the costs of the development, the professional development teams, and the team's costs. If we are able to raise more than 1,500 euros, we will add in the cases where there is a need for the production costs of the remaining cost, in addition to other funds that we have already secured. ▲ The Supervisors There are reasons why the ELDEN RING game, which took around three years to develop, won the top award at the 1st German Game Festival, and was also the official game of the 2015 Gamescom. The third game by the company ELDELL, this is a sequel to the popular Final Fantasy XIV Online, but is a completely new fantasy role-playing game. The action role-playing game that the company ELDELL takes the following major elements to be the core of the game. First, it takes an easy-to-use action element, in which characters can move around the world and fight with each other. We also take an easy-to-understand and feel psychology to create a feeling of power when players play the game. The graphics and music of the game are also the polished versions of the previous Final Fantasy XIV Online game, but in a darker, more apocalyptic, and fantasy world. In order to make sure that the game is accessible for those who enjoy the previous FINAL FANTASY XIV Online, we are also planning to introduce some elements of familiar FINAL FANTASY. In fact,

## **What's new in Elden Ring:**

**This is the new fantasy RPG we have been working on, and we are excited to now bring it to the 3DS.**

**Fri, 27 Nov 2017 09:12:05 +0900>This invention relates to an automatic cash collection system and more particularly to an apparatus for collecting the money deposited in a number of separate deposit boxes and delivering it to a department store or the like. It is known to have a number of deposit boxes in a store, each comprising a cashbox or so-called transaction box for depositing coins, and a coin return box containing a return-receiving aperture for receiving deposited coins. The deposit boxes are connected to a central post box, a number of which may be provided in the store to effect the simultaneous return of deposited coins to the bank. A central coin divider is mounted in the central post box for dividing the deposited coins into the deposit boxes. A number of corresponding depositing machines, including depositing machines having the capability of sorting coins are available to deposit coins within the deposit boxes. It is known to provide a number of additional deposit boxes, each for receiving a key-operated depositing machine for selectively depositing money deposited in the deposit boxes. Each deposit box connected to such a depositing machine is known as a so-called `transaction box`. In the operation of the deposit system, coins are deposited in each deposit box and are deposited within a common deposit box. The deposited coins are then delivered to the central post box or central coin divider. The centrally deposited coins are divided by the central coin divider to effect delivery to the appropriate deposit boxes. When the system is to be maintained in a non**
