Moana. Category: Moana (film) I'm new to iPhone, I am wondering is there any iPhone video converting software? I would like to convert my videos to iPhone AVI format, but I did not find any. Could you please help me to know some iPhone video converting software? And I would like to know the input and output formats supported by them? I use iPhone 5 for video converting, so I need a software which is compatible with this iPhone. Thank you very much for your help. A: Yes, there are a number of them available. A: I would use this: - it can be a great "one size fits all" solution for converting video between formats. Here is its description:
