Grave Knight is a Visual Novel with a storyline that changes depending on your decisions. Your choices will determine the course of the game. Every decision will impact the story and the fate of the world. The world is a realm of magic and horror, in the middle of a war. The king and his people call it the Great War, a war that has lasted thousands of years. One day, four young adventurers enter the Tomb of the Forgotten. They find the doors closed. They open the doors... and they find a dead world. A world that is plagued by monsters, goblins, ogres, trolls, skeleton warriors, viper dragonmen, sha warriors, undead, religious fanatics, and many more! They fight monsters trying to survive long enough to reach the King's warriors. You play as one of them. As you play through the game, you will face a horde of undead monstres. But monstres can be beaten. The question is - do you have what it takes to defeat the grave knight and save the world? This is a Visual Novel where you play as one of the four heroes. Each class has its own unique playstyle and story, and you get to play a different protagonist with different skills. You can make decisions for a character that will not only change their story, but also change the story of another character as well. To make the game even more complex, NPCs play their own role in the story. You can even change the ending by talking to the right NPC. It is up to you to see what route you take! Key Features: -Choose how the story will play out -Save or sacrifice characters -Live original soundtrack -Optional dungeon exploration -Storyline changes every time you choose a different path -Combat and Side quests -Play as a different character -Painted art style -Fine touch art in painting style -High quality 3D models -Full voiced performance by English and foreign voice actors -Short 2D animations -Detailed Character models -Huge

What's new in Retention: A Love Story:

This book contains everything you need to produce, animate and play the three new sidekicks in the first game in the Fable: Legends series. Including all armour, weapons, and fancy clothing for each character. I'm nearly done with writing the final book. It only has a bunch of formatting to be sent to the publisher, then it's on it's way! :D I'll, of course, post more when the book comes out. update: Release date for "Chapter 7: Fable: Legends: The Red River War" is currently set for April 20, 2020Q: Proving that $\lim_{n \rightarrow \infty} \frac{n!}{n^n} = +\infty$ using the nth term test Help please on a practice for this. Prove that $\lim_{n \rightarrow \infty} \frac{n!}{n^n} = +\infty$ My attempt: By the nth term test it is sufficient to show that $\lim_{n \rightarrow \infty} \frac{n!}{n^n} \geq 1 + \frac{2}{n}$ $\frac{n!}{n^n} \geq \frac{n!}{(n/2)^n}$ Then $n! \geq (n/2)^n \implies n^{n+1} > (n/2)^n \implies n^n (2n) \geq (n/2)^n = \frac{n^n}{2^n}$ $\implies \lim_{n \rightarrow \infty} \frac{n^n}{2^n} = +\infty \implies \lim_{n \rightarrow \infty} (2n) \left(\frac{n}{2}\right)^n = +\infty \implies \frac{n}{2} \rightarrow +\infty$ Have I made a mistake somewhere? A: I think you made a mistake in the second equality. You go from $\frac{n!}{n^n} \geq \frac{n!}{(n/2)^n}$ To $\frac{n!}{(n/2)^n} \geq \frac{n!}{n^n}$

Death Track: Resurrection is a racing/action title that takes players into a post-apocalyptic, not-too-distant future where traditional sports have been replaced by far more violent entertainment. The main event, The Survival Race, is a deadly combat racing tournament that draws the world's best drivers to compete in spectacular road battles with powerful, weapons-laden hot rods. Gamers will drive, battle and try to survive in races that take place in twisted future versions of the planet's biggest cities. Features: Combat racing across post apocalyptic versions of 10 major cities: Bangkok, Vatican City, London, Moscow, New York, Paris, Prague, San Diego, Istanbul and Tokyo. Destructible environments add to the chaotic destruction surrounding each race. 10 powerful car models, customizable with multiple weapons, upgrades and paint jobs. Thrilling suspense story drives the single-player narrative. ** Required PC Hardware Specifications ** * RAM 4GB or greater* * CPU 3.0GHz Intel Core 2 Duo or higher* * Graphic card 1.4GB NVIDIA GeForce 7600GS or higher* * Sound card* Minimum Resolution: 1280x1024 screen, 1024x768 screen and 800x600 screen A: As said by @CameronSteele, there's no physical install file for Tomb Raider.
