(Publisher: Digital Manga, Inc.) On the 21st of June in 2014, the global release date for the Digital Manga “The Tarnished Crown”, the second of the Elden Ring (formerly “A Clash of Mages”) series, will come. Featuring a newly developed revised gameplay system, a new class of protagonist, and a deep game system that has not before been seen in this series, the official trailer can be seen at (Publisher: Digital Manga, Inc.) It’s 10 years after the events of “The Tarnished Crown”. Since then, the adventurer Yu Jingyi’s inner desire for fame and wealth have kept her spirit alive. Although she has been able to leave the battlefield, her world of eroticism and seduction has never left her side. (Publisher: Digital Manga, Inc.) Yu Jingyi is a hero in her own right. Ever since she was born, she has lived an exciting life of battles. Out to conquer this world, she has left her homeland of Xin Lian. However, when she passed away, the legend of “The Tarnished Crown” was sealed. She finally returned to the legendary world of “The Tarnished Crown” and rose to the title of “Elden Lord” in the process. (Publisher: Digital Manga, Inc.) The Wildlands are vast, and are divided into many areas. Each region has its own rules, with its own atmosphere, and its own enemies. The map, which keeps track of the region you are currently exploring, is an authentic RPG map as it is now. It is fully three-dimensional, and you can customize it to your liking. (Publisher: Digital Manga, Inc.) The “Dragon Soul” you meet while exploring are not min-maxed enemies like the ones you have seen in other RPGs, but bosses created to be rather difficult to clear. This is a celebration of a distinct RPG realm. (Publisher: Digital Manga, Inc.) In the world of “Tarnished Crown”, heroes like Yu Jingyi start as weaklings. They must collect an “Elden Ring” in order to become an Elden Lord, and those people who have collected the first six have strengths far bff6bb2d33

Tue, 07 Feb 2013 07:45:42 +0000No.333255: "Drive Switches!!"

It's been a while since we posted something! Since this was originally in the review section, I figured I'd put it here.

A secret movie of a certain commercial started making the rounds on the Internet last year. It appears to be an early demo for an upcoming console game. In it, there's a minigame seemingly similar to the recent *Megami Tensei* NSMB spinoff, but with a drive switch system (pictured right)!

Given that the first person shooting and the need to "hit" the switches are very similar to what we've seen before, I'm leaning toward it being a concept video for *Drive Connection 4* or something like that.

The archives are very sparse. Probably the standard demise of a small site growing organically. Ah well.

I have no news. Nothing interesting enough even to mention.

This service will be suspended next week for a refocus.

I'd like to note that even if this is the last post
