August 24, 2009 3:51PM at Searching for a \$10,000 miniature horse I was walking along in the woods with my two dogs a few weeks ago, and suddenly I spotted this 10k miniature horse. I was immediately smitten and cried out 'am I dreaming, is this possible?' Without being able to control my curiosity, I stopped and began taking pictures. After about a minute of snapping away I looked down and discovered she had a metal tag clipped to her right leg, which indicated her registration number, but the last three digits were illegible. Looking up the number on Google, it says that the owner died in November and that the horse was turned in to the police station. I tried reaching out to the police, but they haven't returned my messages. I would really like to find the owner of this animal. Is there anyway I can find out who owns this horse? Any information is greatly appreciated, thank you. A: This article might give some answers for why you were not able to reach the
