The film was written and directed by Tom Kapinos and was distributed by Netflix. It is his first major role in a film since The Set-Up. Synopsis The story revolves around Thomas Caravello (Mulroney) who has the self-respect to become a lawyer, and the integrity to retire from the criminal business he's in. He is a double life: he is a lawyer and a wheeler-dealer, the so-called "road pirate", who causes havoc on the roads of Brooklyn; and he has a wife and a daughter. The picture starts with Thomas preparing to retire, for the first time since he joined the mob. He has no idea that his life will come to a tumultuous end in a few years, when the Mob begins a terrifying war against him to take back control of the Brooklyn docks.
