american hotel. anderson's reason? he loves old buildings and the dreamy feeling they have, despite being patently filthy and possibly haunted. anderson's first film, bottle rocket, also got its start in paris and was set in a cocktail lounge -- and it featured a cast including owen wilson and bill murray. he also made his first foray into the hotel-based film with the darjeeling limited, a film that was meant to parallel the indian caste system and follow a man as he seeks to repair his estranged relationship with his grandmother. 5ec8ef588b
