movie in your pc, tv, mobile, tablet etc. the work of downloading is being done by us, so that you people can download this movie without any cost. so friends, we are telling you all the information that how you can download this movie, you people must have to download this movie in your pc, tv, mobile, tablet etc. and we have told you all the information that how you can download this movie, you people must have to download this movie in your pc, tv, mobile, tablet etc. so friends, we are telling you all the information that how you can download this movie, you people must have to download this movie in your pc, tv, mobile, tablet etc. kahaani movie is a story of a pregnant woman who is on the look-out for her husband whos gone missing. vidya bagchi (vidya balan) who is seven months pregnant and alone in a festive city, arrives in kolkata

from london to find her husband arnab bagchi missing. with nothing to rely on except fragments from her memories about him, all clues seem to reach a dead end when everyone tries to convince vidya that her husband does not exist. she slowly realizes that nothing is what it seems. in a city soaked in lies. a poison-gas attack on a kolkata metro rail compartment kills the passengers on board. two years later vidya bagchi (vidya balan), a pregnant software engineer, arrives in kolkata from london during the durga puja festivities in search of her missing husband, arnab bagchi. a police officer, satyoki rana sinha (parambrata chatterjee), offers to help. although vidya claims that arnab went to kolkata on an assignment for the national data center (ndc), initial investigations suggest that no such person was employed by the ndc.
