

sleeper: #3 pershing lady wildcatsthe lady wildcats have lived up to their name this season, and they should be a top 3 team in the state of west virginia! pershing finished third in the north division last season, and are led by five-star senior forward tayler webster, who is averaging 20.2ppg, 6.1rpg, and 2.4apg. the lady wildcats also boast three-star forward la'shia doerr, who is averaging 16.5ppg, and 4.0apg. if you can believe it, pershing is without one starter averaging in double figures, and they can be the next team to send the lady wildcats to the elite 8! sleeper: #1 sunset lady devilsit looked like the lady devils would be one of the teams to beat in the west when they were ranked #4 in the preseason. sunset has lived up to that preseason hype, as they have been ranked as high as #2 during the season. sunset is led by an incredible senior class that includes five-star forward abby foster, who has started her career at sunset at point guard, and is averaging 21.4ppg, and 6.0rpg. she will be the rock of this team, and they will be dangerous on both sides of the ball. the lady devils also boast three-star guard tariah dunn, who comes in off the bench and is averaging 12.5ppg, and three-star guard jazmin charles, who is shooting 47% from 3-point range and averages 13.1ppg, 3.9rpg, and 1.7apg. give this team all the credit in the world, because they are an impressive team! consensus second round pick, unlv: unlv is a very deep team with the ability to score at every position. this is the first time in years unlv has had a true scoring lineup, which means this team is in for a special season. unlv is a team that has relied on good ball movement and excellent 3-point shooting to get to the point they can play a more athletic style. this will be a special year. unlv also won the mountain west conference championship last season.
