Kazaa Free Media Player is just one of the several Kazaa apps that can help you download from the Kazaa network. You can use the download manager to download files to your PC in batch mode or through one-at-a-time downloads. Simply run the Kazaa client and point it to the URL of the site you want to download from, and start downloading. Once downloaded, the file will appear in Kazaa's library. License Terms You must attribute the following copyright and license statement in your product or application(s) source code. This file is free software; you can redistribute it and/or modify it under the terms of the GNU General Public License as published by the Free Software Foundation; either version 2 of the License, or (at your option) any later version.
