Grimm Season 3 Torrent

One of the more interesting twists for Grimm this season is that Nick is taken down by a Familie. This extends to at least one of his Grims, Patty, who also seems to be raising her child alone, because the first time we see her in action, she is surrounded by a cluster of young Blutbadens. She is pissed about Nick being kidnapped by these children, and she can control them without any kind of training or power. She beats up each of them until they just fall to the ground unconscious. It looks like Nick is going to help her get rid of them, but the kids catch on and begin fighting back. We learn a bit more about Nick and Hank being roommates in the GFFA, and they're very close friends. Nick seems to always make it clear that if Hank didn't exist, he would not be that guy. Recently, it seems like he has developed an appreciation for what Hank does for the department and how hard he has worked to get where he is. Hank seems to be less into the whole Nick thing though and has been through a lot over the years. He still thinks Nick is just a kid and didn't understand about the Grimm, but over time he has come to realize that he not only knows a lot more about the monsters than he thinks, he also has the skills and knowledge to bring them down. We learn more about the Hassliche and their hierarchy as it relates to their greater society. Burkhardt's relationships with the Hassliche have developed as Burkhardt helped the Hassliche get their daughter back from the Hasslichen. At first the Hassliche were suspicious and hated him for taking their family, but as they discovered his abilities and strengths as a Grimm, they began to respect him and his duty to stop the Hasslich. 5ec8ef588b
