Resident Evil 4 Ultimate Item Modifier V1.0.0

September 5, 2013 - RESIDENT EVIL 4 ULTIMATE ITEM MODIFIER V1.1. Hello friends. Using this trainer you can change your inventory item in your main game as . If you are already using an item, then you will have to leave it. If you want to get something specific, you can change it right from the trainer. In addition, this trainer provides you with the opportunity to get an additional item from your inventory that cannot be found in the game. I use this trainer to get items from the game, such as keys to the chests where the items are, since I can't find the necessary ones. Thank you for your attention.
