New tank for a guy who loves fish, how about some ideas? 0 Hey all, So I'm going to build a tank for a guy who loves fish, but the only idea I have is a 3.5 inch perch. What would you recommend? I was thinking of a betta/guppy that will be able to take the perch, and a java molly that I can get from pet stores for an easier

tankmate. Think of it this way, you can get way better fish in a more expensive kit for your money. Just make sure to get the right kit for your desired fish. What type of fish are you looking at? So I'm going to build a tank for a guy who loves fish, but the only idea I

## **System Requirements For SOAP Test Application:**

OS: Windows XP, Windows Vista, Windows 7, Windows 8, Windows 8.1 Processor: 1 GHz processor or greater Memory: 1 GB RAM (1.5 GB recommended) DirectX: Version 9.0 Hard Drive: 10 GB available space Sound Card: DirectX compatible sound card and speakers Network: Broadband Internet connection Additional Notes: Game installation requires approximately 2 GB of free space on the hard drive. This game supports online play. The size of your saved data depends on the number of characters and equipment
